

Welcome to BTC4ever club!

What is BTC4ever Club?

We are a community of people providing financial help to each other on the principle of good will to all. You provide help (PH) when you can, and you receive/get help (GH) when you need it.

It is a community of people that is based on trust, sincerity and charity. It is all about **PEOPLE HELPING PEOPLE!!** (I HELP YOU, YOU HELP SOMEONE, AND SOMEONE HELPS SOMEONE ELSE)

We provide you a technical basic PROGRAM or avenue, which helps millions of participants worldwide to find those who NEED help, and those who are ready to PROVIDE help for FREE.

No one is forced to join the BTC4Ever Club and you are under NO obligation whatsoever!!

When we put Btc4ever together we had a vision to make this platform fully functional on its own. While this is happening don't stop visioning why you here. We are here to have a better future amongst us and we hope you all have the same vision. If we keep sharing this vision and inviting people daily, we will all have a future of financial freedom.

The success of BTC4everclub DEPENDS ENTIRELY ON THE MEMBERS. By donating help to each other, you can help change each other's financial position.

How does BTC4Ever Club work?

- The system is automated. No upload of payments or contacting donors to approve your payment.
- When you PH, your principle amount is set to grow by 20% in as little as 24 to 36 hours.
- You will be matched to pay someone and when you GH someone will be matched to pay you.
- Once the PH reaches 460% it expires, and you must PH again with the same amount or higher.
- You are allowed only ONE account.
- You can make 6 Donations in TOTAL
- But only ONE per day.
- When you share with others you will receive a bonus:
 - 10% on level 1
 - 3% on Level 2
 - 2% on level 3
 - **Once you have a team of 20 Direct referrals (your Level 1) and a total of \$100 000.00, you will receive a bonus of \$5000.**

- This System has been designed to last forever, with the innovative features implemented to ensure that participants remain active.
- We built this platform to become sustainable after we have a sufficient number of members.
- **How is it possible to make this wonderful system self-sustainable?**
 - A Cycle means you PH. This makes you an active member.
 - This PH is used to help another.
 - Once you have helped another you will then be set to GH.
 - Once you have been helped again you go to PH. (this is what we call auto-PH)
 - When you've reached 22 auto re-PH's the cycle ends and you will have made your profits on this PH.
 - This means your PH has matured to over 460% (total of 22 PH's and total of 23 GH's).
 - At that stage your PH will expire and will disappear from your PH Data in the Back office.
 - You need to donate "new money" and start your 2nd, 3rd, 4th, etc. PH Cycles.
 - Eventually we will have members maturing their PH on a daily basis.
 - This means on a daily basis member will donate "new money" to their following cycle.
 - Therefore we will have a constant flow of "new money"
 - This is what makes this system self- sustainable

With YOUR help we can reach a self-sustainable system as soon as possible by inviting new members.

We have done our Part to give you this GREAT Platform and opportunity. It is now in YOUR hands to make it the BEST in the world!
